## **OMHA Updates:**

### **Paul Allan RD:**

- Thanks to everyone who helped out and stopped by the past two weekends Very exciting weekends. Hockey was fabulous. Great facility, electric atmosphere. Excellent locations
- Within league games were scheduled first as an opening game on the second weekend as it got teams right into the tournament spirit immediately as they were playing a rival.
- STA/ETA teams advancing were almost an even split
- If you or your coaches have feedback, please forward it to Paul. There will be some tweaks to make the weekend better.
- April 15th is the deadline for notices of motion for the OMHA AGM.
- April 25th AAA tryouts U14-U16 start.
- Waivers cannot be issued before April 25th.
- Mark Hooper has put in to be VP of Western District. Mark's position as RD is coming open if you are interested in applying.
- Paul will be emailing all centres so that we all get the same information across the regions
- For exhibition games during tryouts, home or away, you need a travel permit
- Congratulations to Niagara North on the U13 Championship, Halton on their U15 Championship, and Guelph on their U18 Championship. Also, to Oakville who are playing in the inaugural U14 OHL Cup.
- Egg Farmers are sponsors and came to OMHA's and was very impressed with all of the hockey
- Congratulation to Chris Fiore and the Credit River AAA Capitals, on the new Zone coming into the SCTA. Orangeville and Caledon are now part of the new zone.

### **Peter Harmsen**

- U9 no longer exists meaning there is no rep hockey for U9 in the OMHA. For the 2022-2023 season, there will be MD for AAA centres or AA/A Minor Hockey Associations. The suggestion is that AAA invites feeder centres to skill development sessions. After 22-23, there will no longer be MD at AAA at U9. It will all be tiered and streamed. There is a way to get them rostered so that we know that they are from your feeder centre. Contact Martha, Virginia or Julia. Once you have finalized a list of those coming to your program you can submit it. You can run more than one program. GTHL will still have select.
- Congrats to Chris Fiore and Paul Allan for their work on putting together the new Credit River AAA Zone.
- Rob Ring running the Ad Hoc Committee for U9
- OMHA AGM: It will be a hybrid OMHA AGM-Friday and Saturday at the Sheraton. Also, opportunities to be part of meeting and vote virtually.

- A vaccination Policy is being developed at this time
- GTHL and Alliance both had playoff games on March Break. How did the OHF justify this since we were told we could not. Answer: OMHA voted on it and agreed with it so they stuck with the original decision of the OHF

### **OMHA Convenor Update:**

#### **Don Mundell:**

- Good weekend

#### **Paul Harvey:**

- SCTA only 3 suspensions over the OMHA weekend. 2 of them were only one game. It was a good weekend.

### **Motion to Accept OMHA Reports: Credit River    Seconded: Halton    Carried**

- Brampton is being reclassified to AA. Orangeville, Caledon, and Brampton will make up the Credit River AAA Zone. Chris Fiore, the VP of Caledon and the VP of Orangeville will make up the executive for this season for the Credit River Zone. Not many changes will occur in the first year. It will likely be Brampton-centric for the first couple of seasons as most facilities are there at this time. They will evaluate each new season. Currently looking at using Caledon to register all the teams, and using Brampton's Ice Scheduler.

### **Old Business:**

- Season Schedule: Would like to present to SCTA in June at the latest to ensure we are all on the same page for next season
- Looks like OMHA's will be the same two weekends. Likely at Sixteen Mile Sports Complex again.
- Starting the season on October 3 based on OHF.
- Divisions will be U10-U18
- Buffalo teams are anxious to come back. So, we will have ten teams at each level. Please take time to think about what that will look like in terms of the number of games and play-off format. (32 games or 36 games season)
- Next month is AGM and nominations for President and Secretary are up this year. Send any nominations to Steph at [winstephanie@hotmail.com](mailto:winstephanie@hotmail.com) with the appropriate title (President Nomination or Secretary Nomination)

## **New Business**

- Suggestions regarding tie-breaker rules in terms of cleaning them up along the lines of the OMHA rules and/or possibly including a tie breaker game. Discuss with your executive. ETA had tie-breaker games. If we are happy the way it is, good, if we want to make modifications, that's okay too.

- OHL Cup at Joshua Creek April 14-16
- Is there any appetite to have the dark jerseys as the home jerseys next year? Generally speaking, the darker jerseys are nicer and matches up to the NHL.  
***Motion made by Oakville: That SCTA teams wear the dark jersey as the home jersey in the upcoming season.***

***Seconder: Buffalo***

***Carried***

- Trophies need to be returned to the Burlington office so they can get new names on them and do presentations. Please email Daryl and let him know what Trophies you have. We would like to get them to the winning centres and will have a sheet to sign for them so that we have a record that it was received.
- U13 AAA OHF's hosted in Burlington next week from April 11-15th. 7 teams 6 game round robin for every team M-F 10 am-7pm
- Daryl is getting quotes for SCTA patches for our jerseys
- Any pics of OMHA's please send to Daryl for our website

***Motion to adjourn made by Credit River at 8:28    Seconded: Halton Carried***

***The next Regular Meeting will be a Zoom meeting at 7:00 pm on Tuesday, May 3rd with AGM to follow (1st Tuesday of the Month)***
