### **Old Business:**

- We need to try to be sure to get the number of refs that we need (According to Appendix A in Playoff rules). Supplement with refs from outside the centre if needed.

### **New Business**

- Tiebreaker rules. We had one incident where the rules were challenged. We go by winning percentage this year. Remember to look at head to head first before going to the whole season.
- U14 OHL Cup is going to be sponsored by the OMHA and OHL, April 14-16. If you feel that your team might be one of the ones in this situation, get it on their calendar now.
- Whoever finishes 3 and 4th at OMHAS' will have a play-in game to determine who is the 3rd representative for OMHA at the U14 event
- Rules are collectively SCTA Rules. If coaches/zones want a rule changed we are open to conversation, but we will not do it a week before an event that it will affect.
- We are considering a coach meeting to be held online in August to go over rules of Op, season schedule, GSI, HUDL. This would be a very high-level meeting to ensure the coaches/managers are on the SCTA page for the upcoming season.

- Possible Schedulers meeting in June or August similar to the coaches meeting to ensure all schedulers are freely communicating and understand how the season will operate
- President and Secretary position up for election this year. Please send any nominations to Stephanie at [winstephanie@hotmail.com](mailto:winstephanie@hotmail.com). The nomination forms are on the website.
- There were questions and some discussion around the number of games that teams played this year. 32 vs 36. We are working toward a balanced schedule. This will be discussed at a future meeting and really is determined on Buffalos full participation next season.
- Requesting clarification of the U9 pathway and scoring/stats practices. OMHA will report back to us if the scores are to be posted or not.

***Motion to adjourn made at 8:10: Burlington    Seconded: Hamilton    Carried***
