SCTA RULES OF OPERATION

APPENDIX B: TIE BREAKER RULES

Tie Breaker rules will be slightly different for League Play and Round Robin. Only the games associated with each area will be used in the calculation of a tie breaker.

A. League Play

1. Two Teams Tied

1.1 Head-to-head winner - The winner of the games between the two tied teams will gain the higher seeding position.

1.2 The team with the most wins in league play gains the higher position.

1.3 If the two teams are still tied after the first two options are considered, then the team with the best goal average gains the higher position. The goal average of a team is to be determined in the following manner:
Goal Average = Total number of goals for, divided by the total number of goals for and against.

Example: 10 GOALS FOR, 4 GOALS AGAINST

Goal Average Calculation: $10/10+4 = .714$

NOTE: The higher percentage gains the higher position. **Only head to head games against the two tied opponents to be included.**

1.4 If the two teams are still tied after 1.1., 1.2 and 1.3 have been applied, then the team with the best goal average **in all league games** gains the higher position.

1.5 If the two teams are still tied after the first, second and third options, the team with the least number of penalty minutes throughout all league games, gains the higher position.

1.6 If the two teams are still tied after the first, second, third and fourth options then the team which scored the first goal in the game between the tied teams gains the higher position.

1.7 If the two teams are still tied after the first, second, third, fourth and fifth options, a single coin toss will determine which team gains the higher position.

Three or More Teams Tied

Note: The three-team tiebreaker is used to determine the seeding of the 1st, 2nd and 3rd seed etc. If any step in the tiebreaker only seeds one team, that team assumes that position. The three-team tiebreaker will continue to determine the seeding of the remaining teams. At no time will teams using this formula go back to the two-team tiebreaker.

2.1. Only apply 2.1 if the three tied teams have played each other an equal number of times. If they have not played equal number of times each then proceed to 2.2. If the three (3) tied teams or more are tied, the point record established in the games **among the tied teams only** will be used as the first tie breaking formula.

2.2. The Team with the most wins amongst tied teams will be seeded higher

2.3. If three teams are tied, then the team with the best goal average gains the highest position. The goal average of a team is to be determined in the following manner:

Total number of goals for divided by the total number of goals for and against.

Note: All games are included.

Example: Goals for 10 - Goals against 4: **Percentage: 10 divided by (10 + 4) = .714**

The exercise of 2.3 establishes the team or teams with the highest position(s) by percentage. These teams will advance. If there are still teams tied, they go to the next step.

They do not go back to the "two Team Tiebreaker"

SCTA RULES OF OPERATION

Example A: Team A - .714 = 1st Seed
Team B - .500 = 3rd Seed
Team C - .650 = 2nd Seed

Example B: Team A - .714 = 1st Seed – Advances
Team B - .500 = Still tied with Team C – go to next step 2.4
Team C - .500 = Still tied with Team B – go to next step 2.4

Example C: Team A - .650 = Still tied with Team B – go to next step 2.4
Team B - .650 = Still tied with Team A – go to next step 2.4
Team C - .500 = 3rd seed

- 2.4. If the teams are still tied; the team with the fewest goals against (all games played) will gain the highest position.
- 2.5. If the teams are still tied; the team with the most goals for (all games played) will gain the highest position.
- 2.6. If the teams are still tied; the teams seeding would be the team that received the least number of minutes in penalties throughout all games.
- 2.7. If the teams are still tied; a coin toss shall determine the winner. In a three-team coin toss, the odd team (three coins are tossed) gains the highest position.

B. Round Robin Play

1. Two Teams Tied

- 1.1. If two teams are tied for 1st and 2nd place then regular Season rankings will be used to seed these teams for the OMHA Championships. I.e. If a 4 and 7 seed are tied in Group B round robin play, these two teams will move on to OMHA's. Assuming in Group A that 1 and 2 move on, the 4 will be the 3 seed at OMHA's and the 7 will be the 4 seed going to the OMHA's.
- 1.2. If there are 2 teams tied for 2nd and 3rd place then there will be a play in game between these 2 teams to determine who attends the OMHA Championships. The team finishing higher in seeding from the Regular season will host the Play in game.

2. Three Teams tied

- 2.1. If 3 teams are tied in a Group after the Round Robin play, then the 3 teams tie breaker rules will be applied to determine the higher seed. The two remaining teams would play a play in game. The team finishing higher in standings from the Regular season will host the Play in game.

3. Play in Game – Overtime Rules

- 3.1. Should the teams be tied at the end of Regulation time, a 10 minute 5-on-5 sudden victory overtime period will be played with a 3-minute break between the 3rd period and 1st overtime. Teams will not change ends for this first overtime period.
- 3.2. If the score is still tied at the end of the first overtime period, a flood will take place and then a second 10 minute 5-on-5 overtime period will take place. Teams will change ends for this second overtime period.
- 3.3. If the score is still tied at the end of the second overtime period teams will be granted a 3-minute rest period and a third 10 minute 5-on-5 overtime period will take place. Teams will change ends for this third overtime period. Note, that NO more than three overtime periods will be played.
- 3.4. If a game is still tied after 3 overtimes, the winner will be determined by a shootout:
- 3.5. a. 5 vs 5 shooters
b. If still tied after all 5 shooters, a 1 shooter vs 1 shooter sudden victory will take place.
c. No player can shoot twice until all team members have taken a shot.

SCTA RULES OF OPERATION

d. If a player is in the penalty box as the third overtime period ends, they are NOT eligible to shoot in the shootout.

Teams with an unequal number of shooters will be able to reuse shooters once the team with the smaller number has had all players shoot once.

HOME TEAM WILL HAVE CHOICE TO ELECT TO SHOOT FIRST OR LAST

APPENDIX C: SCTA ROUND ROBIN RULES

A: ROUND ROBIN PLAYOFFS (U10-U18)

For U10-U18 age groups the Playoff structure will be a Home & Away Round Robin Playoff format. The Groups will be determined the same as the Qualifier groups; (see template) i.e. Group A: 1, 2, 8, 9 and 10th ranked teams and Group B: 3, 4, 5, 6 and 7th place teams for 10 team divisions. Each team will play a home and away game with all the teams in their group. Game Lengths are as per [Appendix A](#) plus a 10 min OT Sudden Victory if necessary. If tied after 10 min, each team will obtain one point.

The top two teams from each group will attend the OMHA Championships. Ranking for the OMHA Championships will be determined by the League play rankings.

Tie Breaker rules will apply in Tie Breaker rules, B. Round Robin play (above)
